## Stylists for hire

Contemporary brand Città is now offering in-store and at-home styling sessions. The one-on-one consultation with a trained stylist will help you explore different looks, as well as tips and tricks on how to pull a room's look together. The in-store Style Your Space service is free of charge, while the more personalised at-home service costs \$100, which is reimbursed with purchases over \$1,000. ## BOOK CORNER

### APARTMENT LIVING NEW ZEALAND

by Catherine Foster

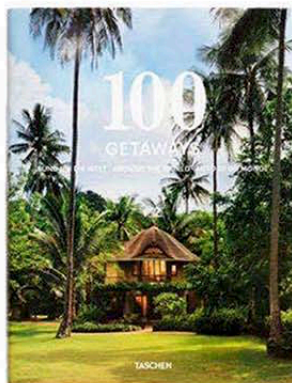

New Zealanders are becoming more creative when it comes to setting up their nests. This tome celebrates the diversity of apartments found in heritage buildings, purpose-built developments, disused commercial interiors and more. \$38, [thenile.co.nz](http://thenile.co.nz)

### FRENCH HOUSE CHIC

by Jane Webster

Having restored a derelict chateau in Normandy, France, this Australian author is now an expert in her adopted country's interior flair. She provides a glimpse inside the most private residences in the land, from elegant Parisian apartments to French country estates. \$48, [thenile.co.nz](http://thenile.co.nz)

### 100 GETAWAYS AROUND THE WORLD

by Taschen

From high-tech cabins in the Norwegian countryside to hotels on the banks of the French Riviera, this two-book edition is an A-Z of the world's most captivating hotels, in a beautifully large format. Great escapism. \$140, [fourth-st.com](http://fourth-st.com)

## CUSHIONED UPBRINGING

*A desire to bring the spirit of the outdoors inside sees New Zealand artist Melissa Lovelock give new life to her paintings in the form of vibrant, printed cushions, priced at \$80. In the colours of a garden, they lift any room.*
